

MODULE 06

STUDENT DOWNLOAD | SHOP-FLOOR WORKBOOK

Subcontractors & Outsourced Work

A subcontractor RFQ checklist and bid leveling sheet so outside work is priced as managed scope.

Outsourced work is not outside your estimate. It is inside your risk.

Use this immediately after watching the module. The goal is not paperwork for the sake of paperwork. The goal is to slow down the quote just enough to stop missed cost, unclear responsibility, and margin loss before the job is won.

DO NOT DUPLICATE: This course download may not be copied, duplicated, shared, resold, posted, or distributed for any reason. Unauthorized duplication may result in a \$10,000 USD fine.
